

Garden Design Consultation/Garden Visit

Whether it's advice on what to put in a 'gap' in your perennial border, plant ideas for a new border, or a full overhaul of your garden, we offer a design consultation service to help you find the perfect plants.

Simply complete the attached questionnaire and email (or drop it) back to us with photographs of the garden/area you wish to discuss. Once we receive the completed form we will telephone you to arrange an appointment time.

We charge £50 for this service.

We are a small team, but like to be able, where possible to help our customers in any way we can, so are also able to offer a planting service at certain times throughout the year. Please ask us at the consultation if you require a planting service.

We also offer a garden visit service, if you wish for a garden visit please fill a garden consultation form and send us pictures of your garden.

This service is charged at £100 for local visits. We will add travel cost if you are in not within a 10 mile radius of the nurseries.

Questionnaire

To better understand your needs and wishes for your garden and the unique characteristics of your site, please take a few minutes to fill out this “Client Questionnaire” and email a copy to shop@thenurseries.com, along with any photographs, site surveys or plans that you have.

Place a tick by each goal that you desire by creating, adding to, or renovating your landscape/garden:

- Beautify my home/business
- Low maintenance, drought tolerant landscape
- Make a statement
- Create a sanctuary or a place for solitude
- Grow edible vegetables and/or herbs
- Attract pollinators
- Create a wildlife habitat with mostly native plants
- Noise/wind reduction
- Provide cut flowers
- Learn about and incorporate new plants
- Create privacy
- Outdoor entertaining
- Other

What do you like LEAST about your garden right now?

Consider what areas of your garden are viewed from the inside of your house.
